THANK YOU FOR YOUR INTEREST IN FREMONT AFTER SCHOOL PROGRAMS!

- Fremont ASP provides after school care for grades K-8 on days that FPS has full days of school until 6:00 p.m. Half day care will be offered when we can get a minimum of 15 students pre-registered for each half day.
- ASP programs are located in each building so no worries about your child having to move between buildings.
- ASP programs provide a daily snack, physical activity, homework help, disguised learning to support school day program and free play time.
- ASP is a tuition-based program with reduced rates available for families who qualify for free or reduced lunch.
- Quest is responsible for overseeing the District ASP programs so if you have any questions, please contact the Quest office at 231-924-0470 for more information.

READY TO ENROLL?

- Complete the enclosed enrollment forms (ASP Enrollment form and Child Information Record). If you are enrolling more than one child, each child needs their own enrollment form and child information record card.
- To qualify for scholarship, you must submit the Education Benefits Form to the FPS Nutrition Services Department. Only one is needed per family and if you already filled it out with your child's school office you do not need to complete it again.
- Forms can be turned into the Quest office, left at any school office for the ASP On-Site Supervisor or emailed to tsanchez@fremont.net.
- Do not send your child until you have received confirmation from the ASP On-site Supervisor or Quest office that your enrollment is completed. If you have submitted forms and do not hear back within 2 business days, please contact the Quest office at 231-924-0470.
- The ASP Parent Handbook is available on the FPS website www.fremont.net or a printed copy can be requested from the Quest office.
- If you have any questions, please call the Quest office at 231-94-0470 or email Tracy Sanchez at tsanchez@fremont.net.
