There was discussion on this, and Pete explained that the cost will be \$55,697 increase due to cost increases in numerous parts of the project – new order regarding duct detectors, cost of steel, etc. The cost could be more if we added air conditioning to the small gym – the Facilities Committee decided to hold off on this as this could be added later if felt it was necessary. Steve asked if there were fans in the small gym at the middle school – Carrie Miller-TerVeer was present and answered that there were none. We may not need to spend all this extra cost; it is a worse-case scenario.

Ayes – 7; Nays -0 Motion passed.

**Interviews:** The Board interviewed two candidates for Superintendent – Brad Reyburn and Jerry Sardina.
