

"Student Centered—
Learning Focused—
World Ready"

Date 7/12/22

Dear Parent or Guardian:

In an effort to maintain the aesthetic quality of the buildings and grounds of Fremont Public Schools, it has become necessary to apply a herbicide to the grounds at your child's school. Please understand that applications will not be occurring every day. The dates are given due to the fact that factors such as wind, rain and site usage will affect the exact date and time of application. You will be able to tell that the application has been applied by the lawn signs that will be posted.

The application will be performed by a State Certified Applicator.

School/Location: Pine Street Admin

Date of Application (weather permitting): 7/15/22

Area to be treated: Fencing and around building

Description of Treatment: Cornerstone non-selective herbicide weed killer

If you have any questions or concerns, please feel free to contact the Districts Operations Office at (231) 924-8829. If you would like more information on pesticides you may call the National Pesticide Information Center at (800) 858-7378 or the Michigan Department of Agriculture and Rural Development at (800) 292-3939. Information may also be found on the web at www.npic.orst.edu

Sincerely

Ryan Ergang
Director of Operations
Fremont Public Schools
