

Packers' Pride Day Care

Permission to Photograph

I _____ give permission to Packers' Pride Day Care to photograph my child(ren) _____ during school activities.

I understand that the photos will be used to display on our bulletin board, in photo albums, and occasionally in newspapers (local or school wide). Pictures are a great way to help children to remember events that they participated in, but mostly, "Kids" love to look at themselves.

I _____ give permission to Packers' Pride Day Care to photograph my child(ren) _____.
