

Quest Educational Programs--- **Adult & Bilingual Education**

Adult and Bilingual Education is designed to meet the needs of the adult student.

We encourage you to get involved in continuing your education today! It is our hope that you will use this opportunity to explore and develop your individual potentials.

We recognize the courage it takes for you to come back to school. We salute you for this! We now encourage you to make a personal commitment to see it through. At times you will find the going tough, but the end result is well worth it.

Admission to Quest Adult & Bi-lingual Education is based on the student's desire to attend. Acceptance into the program is based on the following criteria:

- Student must be 20 years of age by September 1st of the current school year
- Availability of space in the program
- Completion of enrollment process

ESL-English as a Second Language

Designed for people whose native language is not English. Available for all English levels. Previous schooling is not necessary. ESL classes cover a wide range of topics such as conversation, grammar, life skills, and civics.

Citizenship Preparation courses are also provided.
Cost: Free

ABE-Adult Basic Education

ABE classes are offered for students whose math and reading skills are below an eighth grade reading level as determined by a recognized standard test. These skills help prepare students for enrollment in the high school completion program.

Cost: Free to students who do not have a H.S. Diploma

GED-GED Preparation

The GED test battery consists of five subtests: Writing Skills, Social Studies, Science, Literature and Arts, and Mathematics. This program will assist you in finding the areas that you need to study to enable successful completion of a GED test. There is no charge for testing fees for students who enroll in our GED Preparation courses during open enrollment periods.

Cost: Free

HSC-High School Completion

We offer a variety of courses in all academic areas for successful completion of your diploma. Classes are independent study and personalized so that you can work at your own pace. Courses range from computer-based learning, hands-on projects and the traditional textbook approach.

Upon successful completion of graduation requirement HSC and GED students are invited to participate in the Quest Educational Programs graduation ceremonies held each spring.

Cost: Free
