The management of the School and the direction of the working forces, including the right to plan, direct, and control School operation, to hire, suspend, or discharge for cause, or transfer, to relieve employees from duty because of lack of work, and the right to introduce new or improved methods or facilities are vested exclusively in the School, provided these rights shall not be used for the purpose of discrimination, and that they are subject to the Seniority Rules, Grievance Procedure and other provisions of this Agreement, as the same are herein set forth.

ARTICLE 4 SENIORITY

SECTION 1

Any new employee will be considered to be a probationary employee until he or she has been placed on a "permanent assignment" (Article IV, Section 5) for thirty (30) working days, and during the probationary period he or she will not be entitled to any seniority. At the end of the probationary period, seniority date will revert back to the date of hire at Fremont Public Schools as a School Bus Driver. During the probationary period, the employer may suspend, transfer or discharge the new employee for any reason whatsoever and no claim will be made by him or her or by the Union that the action was improper.

SECTION 2

The School agrees to furnish the Union with a seniority list within ten (10) days after the signing of this Agreement and furnish a list every three (3) months thereafter, the names of employees hired during the interim. Identical hiring dates will be entered alphabetically.

SECTION 3

- a. In the case of lay-off, recall from lay-off, job bidding, special trips or promotion, the principle of seniority shall prevail, all other things being relatively equal.
- b. In the case of lay-off or reduction in routes the chief steward and assistant steward, providing

they have 4 years seniority, shall have super seniority.

- c. If a partial run is abandoned/discontinued, the driver of that abandoned/discontinued route will have the ability to bump to the lowest seniority driver with a complete/full run, (AM & PM). In the case that a complete/full run is being abandoned/discontinued, the driver will have the ability to bump the lowest seniority driver with a complete/full run. Any runs that are abandoned will be discussed by the committee before they are abandoned/discontinued.

SECTION 4

- a. All notices of recall shall be by telephone or mail, whichever is most convenient to the School. As for employees in a lay-off status, the failure of any employee to inform the School of his or her availability to return to work within five (5) days after receiving such notice shall be deemed a waiver of any rights under this Agreement.

SECTION 5- Job Bidding

At the end of each school year, all transfer routes shall be posted and awarded by seniority. A driver who opts out of a transfer route may not bump into their choice of routes. They must take the low seniority route.

All route vacancies shall be posted for a minimum of three (3) days within 48 hours of the day when the vacancy occurs. If the vacancy is known ahead of time, the vacancy shall be posted within 24 hours.

A.M./P.M. and Special Education Routes

Special education route shall be defined as picking up special education students at an assigned stop and dropping at the appropriate school. Special education route must be 51% of students on that bus are certified special education students. Paid at special education rate.

- a. A.M./P.M. A.M. P.M. & SPEC. ED. ROUTES. - These routes are "permanent assignments" which continue from year to year. As it becomes necessary to assign a bus driver to a route due to the formation of new routes, or due to the termination of a driver, such route openings shall be posted for bid for a minimum of three (3) working days, and among those applying the most senior employee shall be assigned to the route. Subsequent vacancies created by the bidding procedure will be filled in accord with the seniority of drivers who inform the transportation supervisor that they want to fill such vacancies.

- b. Noon K-Routes - Noon routes may be selected in accordance with seniority among the bus drivers desiring such routes.
- c. Voc-Tech School Route - Seniority drivers may bid on this route at the same time the noon routes are posted for bid. Among those applying, the most senior employee shall be assigned to the route for the ensuing school year.
- d. Elementary Swimming - Seniority drivers may bid on this route at the same time the noon routes are posted for bid. Among those applying, the most senior employee shall be assigned to the route for the ensuing school year.
- e. Special Trip or Regular Trip shall be defined as picking up students at the predetermined location (track field, which school) and transporting them to a predetermined destination and a return trip if requested. Special trips are over one hour and paid at the hourly rate.

Special Trips - Special trips may not be taken if they interfere with routes for the first five days of a new route or the beginning of the school year without supervisor approval. Drivers willing to make special trips are to sign prior to the beginning of each semester. Drivers willing to make special trips will be listed in order of seniority. Trip assignments will start at the top of the list and rotate in order as determined by bidding. In no event shall a driver be required to take a special trip receive less compensation than what would have been received on their regular route. Special trips that have no signature will be assigned to the next senior driver in rotation. The least senior driver signed up for special trips shall be assigned to a trip (if necessary) and shall subsequently be moved to the top of the rotation list for special trips to be assigned. A single signature on the rotation list will count on the rotation. A driver will not receive two consecutive daily trips if more than one driver has signed.

- f. Special Runs - A Special Run is defined as a temporary run which occurs on more than one day within the school district. Special Runs will be posted for bid and be awarded to the most senior driver who signs the posting. Rotation will not be a factor. A driver who is awarded a special run shall be eligible for a special trip on the same day if times do not conflict. Special runs will be paid at the flat rate if consists of one hour or less. If more than one hour, then the hourly rate applies.
- g. Minimum trip shall be defined as picking up students and transporting them to a predetermined destination and a return ride, if requested, taking a total of 1 hour or less. Paid at the flat rate. If the trip exceeds 1.5 hours then it shall be posted as 2 minimum trips, one for drop off and one for return.
- h. A route may not be abandoned in the middle of the school year without good cause as determined by the Supervisor. (Does not include bidding.)
- i. Drivers may not accumulate more than 40 total hours driving time per week or a combination of driving time and other district employment without supervisor approval.

- j.. Summer runs - One week summer vacation shall not disqualify a driver from signing for a summer run.

SECTION 6 - Special Trips

- a. Drivers refusing or unable to make their trip shall be bypassed until the next regular rotation. **(Drivers shall not remove their name from the list without the supervisor's approval.)** The trip shall then be awarded by seniority to a driver who unsuccessfully bid on the trip. Such awards will not affect subsequent trip "rotation".
- b. No trading of trips shall be made.
- c. Special trips may be offered to drivers who would be required to miss their basic daily run.
- d. Special trips that are postponed, or cancelled, and subsequently rescheduled shall be posted as new trips. Drivers who had been awarded such trips will be awarded the next trip that he/she has signed without any change in the rotation. Immediately upon notice of cancellation, the next trip that driver signed will be pulled off the board and assigned to that driver. That trip must be within five (5) working days.
- e. A seniority driver who is awarded a special trip will not lose his/her regular route if the regular route return time is not later than the scheduled departure time of the special trip.
- f. Special trips, Summer runs and Bus repair and warranty work during the "off" season (or during other school district recesses) shall be handled in a like manner as described in section 6,d above. The intent is that extra duty trips during the summer and during school recesses shall be posted as extra duty trips. Drivers may call the weather line at 924-7317 to find out what is available and who is next in rotation. Then if you are interested in the trip contact the Bus Garage at 924-8270 to let them know you are available. Special trips such as the "baggage bus" and such other "unusual" trips as agreed between the Union Committee and the School Administration may be driven by other than seniority drivers.

SECTION 7

Seniority and the relationship of employer and employee shall be considered broken and terminated when any of the following circumstances arise:

- a. An employee voluntarily quits the School employ. b.
An employee is discharged for just cause.
- c. An employee is absent for three (3) consecutive working days without notifying his immediate supervisor, unless it is physically impossible for him to do so.
- d. An employee who has been laid off because of lack of work fails to report within a period of five (5) days after notification is mailed to him or he is called at his last address of

record as given by the employee to the School, provided, however, that if said failure to report was excusable for reasons satisfactory to the School, such person shall lose only the immediate employment offered and shall retain his seniority.

- e. An employee fails to report for work at the termination of a leave of absence.
- f. An employee is not on the payroll for a period of one (1) year or a period equal to his length of service, whichever is shorter, or any reason, other than sickness, unless on an approved leave of absence.

- 1. Failure to pass necessary physical exams by seniority drivers shall be administered as follows:

Drivers who fail to pass the annual physical examination, as required by the Michigan Department of Education, will be suspended without pay until such time as they are physically qualified to work.

Drivers who become physically incapacitated during the school calendar year will be allowed to use their accumulated sick pay for scheduled work days only. Drivers will then remain on seniority status without pay. Upon requalifying physically, a driver will be reassigned to the same route assigned prior to the absence, providing the return to work within one calendar year. If the physical requalification occurs more than one calendar year from the date of initial absence, the principle of seniority will apply with respect to route assignment.

- g. Employees are expected to work every day and complete their assigned, daily duties with care, concern for safety and due diligence.

ARTICLE 5 LEAVES

SECTION 1 – Sickness

Recognizing that there are times when employees might be tempted to perform their duties while not physically up to par due to illness and with the intention that sick leave be used only under such circumstances, then each bus driver who drives a basic route as described in Article 7, Section 1a, shall be permitted paid absence from 8 days of such basic route driving each school year. Absence from a morning or from an afternoon run will be considered as 1/2 a day's absence. Such absences may be taken in no less than 1/2 day increments.

Sick leave may be used for a pre-scheduled routine Dr. appointment if the Transportation Supervisor is notified 3 days in advance. Later notification will result in loss of pay. Emergency appointments are exempted.

Sick leave allowance is intended primarily for the employee, however up to five (5) sick days per fiscal year may be used for family illnesses-children (including stepchildren and foster children), spouse, and parents or any persons that the employee is legally responsible for. Sick leave is not to be used for the routine care of the family.

Daily noon route (Kindergarten) drivers will be permitted eight such daily absences from work with pay.

Sick leave earned for basic route driving is not transferable to noon route sick leave, and sick leave earned for noon route driving is not transferable to basic route sick leave.

Drivers driving routes not fitting the basic route or noon route description will be permitted eight days absence with pay, however, the pay for such sick leave days will be in the same proportion as their annual salary is to the basic route annual salary.

Sick days may be accumulated to a maximum of 105 days.

Employees will be informed of the number of sick days he/she has available at least once each year.

Sick leave accumulated for driving routes as described in Article 7, Section 1b may be transferred to a basic route accumulation on a pro-rata basis in the event a driver transfers from a non-basic route assignment to a basic route assignment. (Example: if a non-basic route annual salary is 60% of the basic route annual salary, the year end sick leave accumulation for the non-basic route would be transferred at 60%. 15 non-basic route days of sick leave would equal 9 basic route days of sick leave.

Since annual route driving assignments may not necessarily be consecutive, sick leave accumulations will not be canceled until final termination of employment as a bus driver occurs. (Example: a noon route driver may have a lapse of one or more years as a noon route driver, continue on as a basic route driver and subsequently return to noon route driving without loss of noon route sick leave accumulation.) This concept would apply to other sick leave accumulations as well.

It is to be emphasized that this leave of absence is to be used strictly in the instance of illness. The Transportation Manager may, at his discretion, request verification of the illness.

It is further understood that abuse, or misuse of the sick leave provisions may be cause for disciplinary action including discharge in cases of repeat offenders.

In the event of illness, the employee shall notify the Transportation Supervisor as soon as possible so a substitute driver may be arranged for.

After fifteen (15) years of service with Fremont Public Schools an employee shall, upon leaving employment of the district, be paid for fifty percent (50%) of his/her unused sick leave at their current route rate.

SECTION 2 – Bereavement

Should a death occur in the employee's family (husband, wife, son, daughter, brother, sister, father, mother, father-in-law, mother-in-law, stepchild, grandchild, son-in-law, daughter-in-law, sister-in-law, brother-in-law, grandparent) the employee will be entitled to receive up to a maximum of three (3) regular scheduled work days off, without loss of base earnings, beginning with the receipt

of notice of death by the employee, through the day of the funeral. To receive funeral pay, the employee must attend the funeral. Funeral pay will be calculated on the base rate of the last job occupied prior to funeral leave. The Superintendent, in his sole discretion, may grant one (1) day per occurrence to attend to the death of a non-immediate family member charged against the employee's sick leave. If said leave is exhausted, the request will be considered under "unpaid leave" provisions.

SECTION 3

Employees shall be allowed three (3) personal leave days per year. Employees shall be paid for any unused personal days at the end of each year.

Arrangements for said leave shall be made at least three (3) work days in advance with the immediate supervisor.

Matters of an emergency nature shall be allowable without the three- (3) work-day advance notice at the discretion of the immediate supervisor.

Personal leave days shall not be used immediately before or after school vacation periods except with the approval of the immediate supervisor.

A maximum of three (3) bus drivers may be allowed to use their personal leave for the same day. Approval shall be given to the first employee who applies for a personal leave day. Approval for additional requests is contingent upon obtaining a substitute. Approval of leaves for the same days will be based on date of request.

If sick leave is exhausted, the requested will be considered under the "Unpaid Leaves" provisions.

Attendance Incentive- The Board will pay an annual attendance incentive to drivers based on a July 1 to June 30 year:

Use 0 sick days	\$100.00
Use 1 sick day	\$50.00
Use 2 sick days	\$25.00

SECTION 4

A total of ten (10) unpaid leave days for union business shall be provided each year of this agreement.

SECTION 5 Inclement Weather Days

When the Superintendent calls an Inclement Weather Day, employees will be paid for six (6) if the school days are not required to be made up at the end of the year. If you are scheduled to work for the day you will get paid for the full day. In the event an employee is on paid leave, sick leave or bereavement leave during part or all of the school closure days as defined in this section, then the pay for the school closure time will not be charged against the employee's paid leave time.

ARTICLE 6 GRIEVANCE PROCEDURE

SECTION 1

For the purpose of this Agreement, a grievance shall be defined as any dispute or difference of opinion between an employee covered by this Agreement and the School involving the meaning and/or application of the terms of the Agreement.

Step 1

Any employee who believes he/she has a grievance may first discuss the matter with a steward, and shall then discuss the matter with the immediate supervisor, with or without the presence of a steward. The supervisor is to get a copy of the written grievance and such written grievance shall specify the portion of the contract that is alleged to have been violated and any and all relief sought by the grievant. The supervisor shall give his answer in writing within five (5) working days after such discussion. A grievance may be filed in writing with the supervisor within twenty (20) working days of the time the grievance is known or should have been known to exist.

Step 2

If the grievance has not been settled in Step One and the employee desires to appeal, the Chief Steward shall present the grievance in writing, signed by the aggrieved employee, to the Superintendent, within five (5) working days after the supervisor's answer in Step One above. Thereafter, the Chief Steward shall meet with the Superintendent for the purpose of discussing the grievance. If the grievance is settled as a result of such meeting, the disposition shall be reduced to writing and signed by the Superintendent and the Chief Steward. If no settlement is reached, the School shall give a written answer to the grievance within five (5) working days after the date of such meeting.

Step 3

If the grievance has not been settled in Step Two, and the School's answer is not satisfactory to the Union, the Union may appeal in writing to the School Superintendent within five (5) working days.

Within ten (10) working days thereafter, the School Superintendent or his representative will meet with a Business Representative of the Union and the Union Committee for the purpose of discussing the grievance. If the grievance is resolved, the settlement will be reduced to writing and signed by the parties. If no settlement is reached, the School shall give its written answer to the grievance within five (5) working days after the date of such meeting.

Step 4

If the grievance is not settled in Step Three, and the School's final answer is not satisfactory to the Union, the Union may appeal the grievance to arbitration by giving written notice of the Union's desire to arbitrate to the School within twenty-one (21) calendar days from the date of the School's final answer in Step Three. If the parties cannot agree on an acceptable arbitrator within five (5) working days, they shall submit a joint request to the Federal Mediation and Conciliation Service to appoint an arbitrator. The decision of the arbitrator shall be final and binding upon both parties. The arbitrator shall have no right to amend, modify, nullify, ignore or add to the provisions of this Agreement. The arbitrator shall consider and decide only the particular grievance presented to him and his decision and award shall be based solely upon his interpretation of the meaning or application of the terms of this Agreement to the facts of the grievance presented. If the matter appealed does not involve an interpretation of the terms or provisions of this Agreement, the arbitrator shall so rule in his award and the matter shall not be considered further by the arbitrator. The willful failure of either party to present its case at the time of the hearing serves to delay the hearing or invalidate the decision of the arbitrator.

SECTION 2

Any grievance not appealed within the time limits set forth in each step of the above procedure shall be considered settled on the basis of the last answer given by the School. Any grievance not answered by the School within the time limits set forth in each step of the above procedure shall automatically advance to the next step. The time limits set forth in each step of the grievance procedure may be extended by mutual agreement in writing and such extended time limits shall then be considered as applicable to the grievance involved for the purposes of this section.

SECTION 3

No grievance shall be filed or processed if it concerns a matter occurring more than five (5) days prior to the date of filing of the grievance and no grievance settlement shall be retroactive to a date more than five (5) work days prior to the date the grievance is first presented to the School.

Approval of, and the granting of such requests is strictly at the option of the Supervisor and Business Manager. Written approval or disapproval of such requests will be given to the Bus Driver within four (4) days after submission stating the conditions of the leave of absence if granted. An "extended period of time" as used in this section shall be construed to mean any absence in excess of five (5) working days. Sickness or accident leave shall be substantiated by a doctor's certificate.

International Union, shall retain his/her attained seniority for the duration of such employment. A bus driver who intends to exercise this provision shall give written notice to the Board at least thirty (30) days prior to the effective date of the termination of employment as a bus driver. At such time as full time employment with the Union terminates and the employee wishes to return to employment with Fremont Public Schools as a bus driver, he/she may exercise seniority at the beginning of a school year by giving the Board of Education written notice of such intent at least thirty (30) days prior to the first day of school. Seniority may be exercised to "bump" only the lowest seniority bus driver and must be exercised at the beginning of the school year immediately following the termination of Union employment. Any employees required to have their annual physical done at any location other than the worksite (School), will be reimbursed mileage if required to drive outside of the Fremont city limits.

SECTION 6

The School will pay toward the cost of C.D.L. renewals. This does not apply to the original license which the driver must obtain at commencement of employment at his/her expense. As new requirements arise the Union and the Fremont Public School Board will discuss how the drivers will be compensated.

SECTION 7

Bus drivers may utilize the "premium conversion" option of the district cafeteria plan. A "summary plan description" and enrollment forms are available in the school district main business office. This allows employees to use pre-tax dollars to pay for health insurance premiums.

By and between the Fremont Public Schools (District) and the Fremont Public bus division, Retail, Wholesale and Department Store Union, Local 386 RWDSU, (Drivers).

The parties hereto have discussed the high degree of care owed to students and the public by both the District and its Drivers and the need for a drug free workplace in order to prevent accidents and to maintain public confidence. The parties agree that the maintenance of such a drug free workplace shall include the following requirements.

Where an administrator or other representative of the District has reasonable cause to believe that a driver may be under the influence of alcohol, and or substance abuse, as defined in the Fremont Public School's Drug Free Alcohol Policy, a copy of which is attached, Appendix IV, or following an accident or incident in which safety rules or principles were violated, and/or careless actions taken, and/or a personal injury were suffered by an employee or others, the driver may be subject to drug and alcohol testing and required to submit to urinalysis, blood tests, or physical examination. The details of such physical examinations shall be in conformance with the requirements of the Michigan Motor Carrier Safety Act.

Employees who refuse to submit to tests or refuse to sign the required consent and release in the circumstance described above will be considered insubordinate and such refusal may result in discipline including discharge.

Employees who test positively for the first time for drugs or alcohol shall be suspended without pay and referred to a drug and/or alcohol abuse evaluation center satisfactory to the District. The employee shall submit to such treatment or counseling as is recommended at his own expense and shall not return to work until he has been certified as drug and alcohol free to the satisfaction of the District. Employees who submit to drug and alcohol treatment shall execute any release necessary for the treatment center or counselor to report his progress to the District and shall comply with any aftercare requirements and submit proof of such compliance to the District upon request.

Employees who return to work and who test positively for drugs or alcohol a second time may be disciplined up to and including discharge. Employees who return to work after a first offense may be subject to at least one random drug test during the year following his return.

Nothing in this agreement will prohibit the District from taking appropriate disciplinary action where the objective symptoms of the employee indicate that he/she is under the influence, regardless of the results of any tests and regardless of whether or not a test is administered.
