May 17, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Fremont High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Fremont High School for assistance.

The AER is available for you to review electronically by visiting the following website [https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-S,7496,1154,105](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,7496,1154,105) or you may review a copy in the main office at your child's school.

For the 2022-23 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a "not been given a label."

Our school continues to focus on supporting all students in the four core areas as well as introducing them to career opportunities. We are continuing with our initiatives of Reading Across the Curriculum, Writing Across the Curriculum, and Graphing Across the Curriculum. All of which are designed to close achievement gaps and strengthen our student body's skills..

State law requires that we also report additional information.

1. Process for assigning pupils to the school: We assign students to the school based on Local School District borders and the Michigan Schools of Choice Program.
2. We are in the second year of our school improvement cycle.
3. We do not operate any "schools within a school."
4. The core curriculum can be found on Fremont.net under the High School link.
5. Our 2022 SAT Average was: 1004 Our 2023 SAT Average was: 983

6. For high schools, only also report on the following:
- a. the number and percent of postsecondary enrollments  
2022: 23/8% 2023: 98/30%
  - b. We offer 4 Advanced Placement Classes
  - c. The number and percentage of students enrolled in college equivalent courses (AP/IB) 2022: 62/21% 2023: 48/15%
  - d. The number and percentage of students receiving a score leading to college credit who attempted college equivalent courses -  
2022: 28/45% 2023 48/43%

We continue to be supported strongly by our community and parents. We pride ourselves in our commitment to upholding that strong relationship and look forward to the 2023-24 school year.

Sincerely,  
Scott A. Sherman, Principal  
Fremont High School
