District Annual Education Report

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-14 education progress for Fremont Public Schools. The AER addresses the complex reporting information required by Federal and some requirements of State laws. Our staff is available to help you understand this information. Please contact Ken Haggart for help if you need assistance at 231-924-8261.

The AER is available for you to review electronically by visiting the following web site: <https://www.mischooldata.org> You may also review a copy in the principal's office at your child's school.

Student Assessment Data – Elementary or middle school assessment results on the Michigan Educational Assessment Program (MEAP), high school assessment results on Michigan Merit Exam (MME), and assessment results for students with disabilities on Michigan's Alternative Assessment Program (MI-Access or MEAP-Access)

- Presents achievement data for all five tested subjects (mathematics, reading, science, social studies and writing) compared to targets for all students as well as subgroups of students.
- Helps parents understand achievement progress within schools and compare these to district and State achievement.

Accountability Scorecard – Detail Data and Status

Information is provided for the district and each school related to achievement targets in reading, writing, mathematics, science and social studies answering questions like:

- Did the district (and schools) meet achievement targets for all students and subgroups of students?
- Did the district (and schools) meet achievement growth targets for all students and subgroups of students?

Teacher Qualification Data

- Identifies teacher qualifications at district and school levels
- Reports percentage of core academic classes taught by teachers not considered highly qualified to teach such classes

NAEP Data (National Assessment of Educational Progress)

- Provides State results of the national assessment in mathematics and reading every other year in grades 4 and 8

Review the table below listing our schools. The state has identified some schools with the status of Reward, Focus, or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases no status label is given.

Fremont Public Schools	Status Label	Key Initiative
Pathfinder Elementary	No Label	XML Math
Daisy Brook Elementary	No Label	Title I Delivery System
Fremont Middle School	Reward	RtI Programming
Fremont High School	No Label	Capturing Kids Hearts
Quest High School	No Label	Capturing Kids Hearts

The staff, administrative team, and board of education recognize the importance of how a sound education system can promote success in high school and beyond. It is in that belief system, we dedicate ourselves to continue our own improvement in the classroom, and pledge to give each our kids our very best.

We are constantly looking for new and better ways to work with parents in creating a community of learners. If you would like to participate, please contact your building principal or call me at 231-924-8261.

Sincerely,

Ken Haggart
 Superintendent of Schools
