

May 3,, 2024

Dear Parent or Guardian:

The Fremont Public School's Integrated Pest Management contractor EnviroSafe, Inc. and our staff have been working to eliminate a pest concern at your child's school.(Ticks)

Given the nature and location of this pest they felt it was warranted to apply a pesticide to try to resolve this concern.

A controlled pesticide application, using a product approved by the EPA, will be applied. The application will be done by technicians who are State Licensed and trained in the use of pesticides.The treatment is described below:

**School: Pathfinder, Daisy Brook, Pine**

**Date of application: May 6, 2024**

**Area treated: Playground perimeters**

**Product: NatureCide granular**

If you have any questions or concerns please feel free to contact the District's Operation Office at 231-924-2350. If you would like more information on pesticides you may call the National Pesticide Information Center at (800) 858-7378 or the Michigan Department of Agriculture and Rural Development (800) 292-3939. Information may also be found on the web at [www.npic.orst.edu](http://www.npic.orst.edu)

Sincerely,

Sean Seabolt  
Operations Department
