

Junior/Senior Parking Lot Painting Request Packet

The Junior/Senior Parking Space Lottery will be held on Thursday, August 30 at 2:45 in the High School cafeteria. Seniors will be first to draw and then Juniors will get to draw. Painting may begin after the draw is complete. It is highly recommended that you check the weather and mark off your parking space by placing a bucket in front of your space so no accidental defacement occurs. 48 hours is usually enough time to dry the paint but that is heavily dependent on weather.

Procedure for obtaining an assigned parking space are as follows:

- The cost per parking space is \$35, which covers the cost for the permit as well as the cleaning fee for future painting. This permit DOES NOT pay for a vehicle permit. Payment must be made by Wednesday, August 29th at 12:00 p.m. Please make checks payable to Fremont High School.
- Sketch of your design must be submitted to the office by Wednesday, August 29th at 12:00 p.m. Any artwork depicting items, symbols, or language that FHS administration deems inappropriate will not be allowed. No political, special interest, alcohol, tobacco or drug references are allowed in order to comply with school policies.
- The order in which students pick their spaces will be determined using a lottery system. All students who have their designs approved and have paid by Wednesday, August 29th at 12:00 p.m. will have their names randomly drawn to determine the order in selecting their spot. The drawing will take place in the cafeteria at 2:45 with students present. At 3:05, students, in order, will begin choosing their spaces. Seniors will go first and then Juniors. Students are not required to be present for the lottery. Students not present will have a space assigned to them by the principal.
- Completed Parking Application must be on file in the office.
- Forms are available at the front office and at www.fremont.net.

In order to follow all city and district codes, please note the guidelines below that must be followed for the painted parking spaces.

WATER BASED EXTERIOR LATEX paint is the only type of paint that can be used.

- No reflective paint
- No spray paint !
- No fluorescent paint !
- Students must keep a 6" unpainted border between the yellow parking space lines and the paint in their parking spot. (please use blue painters tape)

You may purchase **WATER BASED EXTERIOR LATEX** paint at retail stores. Share with other classmates for access to more colors.

Directions For Submission:

1. Your design should be clearly drawn on this form and must include the colors you will be using on your parking space.
2. On your design sheet, please include your first and last name, email address, and cell phone number where you can be reached.
3. All designs are due no later than Wednesday, August 29th at 12:00 p.m. in the FHS front office. There will be time to review designs and communicate with seniors on any changes that need to be made.

Consequences

- Any deviation from the approved design will result in forfeiture of the parking space, the original \$35 fee and a \$50 fee added to senior fees for resurfacing.
- Any student defacing another student's space will forfeit their parking space, the original \$35 fee and a \$50 fee will be added to the student's senior fees for resurfacing. All students defacing other student's spaces will be prosecuted for destruction of public property.
- Once your design has been reviewed, your name will be posted on the "Approved" list posted on the office window.
- Please remember that this is a continuation of a trial event. Any subsequent event, requires that you abide by common sense and all the rules. This is a major issue for the principal and it can easily go away. Do not be the one to ruin it for the rest of the students in the future. Don't be "That guy (or girl)!"

Timeline

August 29, 12:00 pm: Designs are due
Payment of \$35 is due

August 30, 2:45 pm: Lottery occurs (students do not need to be present)
3:05 pm: Selection occurs in order of lottery
