They need to attend a morning safety briefing with ERS at 7 am at Tamarac before the race starts at 8 am to get assignments. Need to have a cell phone and need to know if they can drive. We would need their shirt size to provide them with a long sleeve safety color volunteer shirt. Please contact Faye Fisher at 924-0528 to sign up.

Community Opportunities:

COLLECTING: The Fremont Lions Club collects used eyeglasses, which are taken to Ferris State University's College of Optometry. The college students clean, sort, and categorize the glasses, which are then taken on eyeglass mission trips to foreign countries. The optometry students participate in the mission trips as preparation for careers in the eyecare industry. Fremont Public Schools is partnering with the Fremont Lions Club by having used eyeglass collection boxes at Daisy Brook Elementary, Fremont Middle, and Fremont High School. People around the world will benefit from the used eyeglasses that you donate!
