A recently enacted Michigan law amended the Revised School Code (MCL 380.1147), which changed the minimum age requirement for a child enrolling in kindergarten. Currently, a student must be five years old by December 1\textsuperscript{st} to be eligible for enrollment to kindergarten. New legislation will change the “cut-off” date and will be gradually phased-in over three years; changing the requirement by one month each year. The changes will be implemented in the following manner:

- For the 2013-2014 school year, children must be five years old by November 1\textsuperscript{st}.
- For the 2014-2015 school year, children must be five years old by October 1\textsuperscript{st}.
- For the 2015-2016 school year (and beyond), children must be five years old by September 1\textsuperscript{st}.

**Parent Waiver Option**

If the child is not eligible for enrollment per the guidelines specified above and will be five years old by December 1\textsuperscript{st}, the child’s parent or legal guardian can apply for a waiver to enroll their student in school. Waiver deadlines and other information are as follows:

- If the child resides in the school district, the waiver must be submitted to the school district no later than **June 1\textsuperscript{st}** before the beginning of the school year.
- If the child becomes a resident of the school district after June 1\textsuperscript{st}, the waiver must be submitted to the school district no later than **August 1\textsuperscript{st}** before the beginning of the school year.
- When in receipt of a waiver, districts can make recommendations to the child’s parent or legal guardian, as to the child’s readiness for school, and whether or not the child should be enrolled early.
- Regardless of a district’s recommendation, the parent or legal guardian retains the sole discretion to enroll their child.

**MPAAA** has created three waiver forms for districts to use, which are included in this document. In addition, we have included a poster created by the West Shore ESD and shared with the Michigan School Public Relations Association (MSPRA). Feel free to customize these forms as needed however, please retain the source credit.
