

School is Closed

I have to stay home.

Many Places I like to go are closed.

School is closed.

Some people are sick.

People are getting each other sick.

So we can not go to school.

Even though I can't go to school, my teacher will

send work home for me to do.

I can still go outside.

I can go for walks or ride my bike.

I can't hug, high five or fist bump other

people, but we can still talk.

School is closed until after summer break.

I might miss my school friends, but I will

be able to see them when it's safe to go

back to school!
