At Fremont Middle School we strive for a positive school climate for all. As part of this effort, students are challenged to exhibit **Personal Responsibility, Respect, Integrity, Determination, and Excellence** at all times.

**YOUR TEACHERS**

Your teachers are here for you. They are trained professionals who have been chosen by our school district to serve as your guides and leaders through these three important years. They deserve your respect and will accord you respect in turn.

Every teacher will have specific classroom rules. Four general rules expected to be followed by all students are:

1. Stop all unnecessary talking as you enter the classroom.
2. Go directly to your assigned area and begin to work.
3. Be sure you have all necessary books and materials.
4. Arrive on time; a little late is too late!

Your teachers may assign you a limited amount of homework. This is an important part of our curriculum. It trains the student to work independently and gives him/her an opportunity to practice the skills and concepts taught in class. Neglect of this important part of your school requirements may result in poor grades, possibly failing a class.

**ATTENDANCE POLICY**

One of the greatest determinants of student academic success is regular and punctual school attendance. To help ensure that success, the following policy governs FMS attendance:

**Excused Absence:** (absence due to illness or emergency as determined by the Principal’s office):
Pre-Excused Absence:
1. Present a written request to the office at least two (2) days in advance of the absence.
2. A form will be given to the student to have completed and returned to the office on the day it is issued.

TARDINESS

A student arriving late to school should report immediately to the office for a tardy slip. Only an emergency is an acceptable excuse for being late to school. The tardy policy is based on each nine week marking period. Tardies, which are not excused, result in the student making up time in accordance with the following policy:
1. Two Tardies in same class – Student will receive verbal warning and parent contact made by student in office.
2. Three tardies in same class – After School Detention assigned by the administrator. Parent contact made by administrator.
Continued tardiness will result in a parent-teacher-administrator meeting and further discipline.

TRUANCY

A student absent without the consent of his/her parents or the permission of the school is truant. This is an unexcused absence. The following are examples of truancy:
1. Being absent from class without permission.
2. Leaving the school without signing out.
3. Leaving the school at lunch time.
4. Being absent from school without parents’ permission.
   Excessive tardies and/or absences will be referred to law enforcement and/or truancy officer.

Disciplinary Action:
1. A student absent from class, away from assigned areas, or that leaves campus without permission at any time during the school day will be assigned disciplinary action.

Family Truancy: In accordance with county truancy policies, a letter will be sent home for any student who has 8 or more
unexcused absences from school, at which time the county truancy officer may become involved.

All class work missed during an absence must be made up. If the absence is unexcused, a student has the right to make up work, but credit will be issued at teacher discretion; if excused, full credit will be allowed. As a general rule, a student will have as much time to make up the work as he/she was absent. This does not apply, however, when a student has a pre-excused absence due to vacation.

All absences must be reported to the school by phone on the day of the absence. The phone number is 924-0230. REPORTING OF A STUDENT ABSENCE MUST BE DONE BY A PARENT OR A GUARDIAN and should be reported between 7:00 - 8:30 a.m. ABSENCES MUST BE REPORTED TO THE OFFICE EVEN IF CONTACT HAS BEEN MADE WITH THE CLASSROOM TEACHER. Students who are absent from school, and have not been reported by a parent, will receive an automated call to make them aware of the absence. If the office is not contacted after that, the absence will be treated as an unexcused absence. An excused absence will allow the student to make up all work missed and receive credit for the work. A student will be allowed one (1) school day per day(s) missed to make up work. Students must be in attendance at least ½ day (minimum of 3 hours, not including lunch and rec.) on the day of a scheduled school event to be eligible for participation in athletics or attendance at any FPS event. If a student misses class in the morning, for example, he/she must report to school by 10:40 a.m. The absence must be excused by the building administrator. Participation will be at the discretion of the administrator. If a student is absent a full day, attendance or participation at school sponsored events is not permitted. Failure to follow this rule will result in an automatic Saturday school. Students with medical or dental appointments during the school day must present such notification to the school office prior to the appointment. Students must sign out in the office before leaving for the appointment and sign in when returning.
HOMEWORK POLICY

Homework is assigned to students by their teachers for one basic reason: to enhance learning. It is the responsibility of FMS teachers to assign homework that is meaningful to the learning process. It is the responsibility of the FMS student to complete assignments on time and in an acceptable manner.

ASSEMBLIES

As a Fremont Middle School student, assemblies are a regular and important part of the total school program. Your behavior at an assembly is governed by the same rules for respect that are enforced in the classroom. Regardless of the type of program, a FMS student must show courtesy, respect, and appreciation for the performers and demonstrate the expected audience skills. Talking, whispering, whistling, stamping of feet, and booing are discourteous and will not be tolerated. A few simple rules governing assemblies are:

1. Unless otherwise instructed, leave all books and materials in your locker or classroom.
2. Proceed to the assembly quietly, orderly, and promptly, with your class, and be seated in your assigned area.
3. When the assembly announcer calls for your attention, give it to that person immediately.
4. Be courteous to the performers and to your neighbors. Do not use pauses in the program to start conversations.
5. Your applause and appreciation should be in keeping with the nature of the program. Serious programs require a serious response. Light and entertaining programs may bring spontaneous and more enthusiastic responses.
6. Do not attempt to leave the assembly until you have been properly dismissed.

LOCKERS

Each student will be assigned a personal hall locker. He/she will be given a combination to the locker and should not share that combination with others. Today’s “best friend” may be going through your locker next week. Students are expected to keep
their lockers locked at all times. There is to be no exchange or doubling-up with another student in lockers. Money or other valuables should not be kept in lockers. Students should not mistreat lockers, including kicking or hitting or using other means to open them.

Hall lockers operate on a master control key arrangement and the school, pursuant to state law, retains the authority to perform locker checks and to search individual lockers at the district’s discretion. In addition, periodic locker clean-ups will be scheduled to help maintain good housekeeping habits. In School Board policy section 2006, it states that the student’s privacy rights shall be respected “regarding any items that are not illegal or against school policy”.

BOOK BAGS

Book bags may be used to carry books to and from school. Book bags are not to be carried to or brought into classrooms. When arriving at school, the student should place books into the locker and then hang the book bag in the locker. Book bags are not to be left in the hallways unattended.

CLOSED CAMPUS

Fremont Middle School operates on a closed campus arrangement. Once a student arrives at school, he/she is not allowed to leave the immediate area of the school, unless he/she is properly signed out through the office. To leave the school during the day, the student must present a note from his/her parents or a valid appointment card and receive a pass to leave the building.

BEFORE AND AFTER SCHOOL

Students should not be on the Fremont School grounds before 7:40 a.m. The doors will not be unlocked until that time. Students need to be off all Fremont Public School grounds by 2:25 p.m. unless the student has a specific activity they are attending. No students should be in any FPS buildings on weekends unless they are there for a specific activity with adult supervision.
VISITORS

Visitors can, through no fault of his/her own, have a disrupting influence while in attendance. Therefore, it is the policy of the Fremont Middle School not to accept visitors in our school. This rule is waived by the principal to allow a visit by a potential student or group of students. Any visitor entering the building is required to report to the principal’s office and arrangements may be made for him/her to meet a student in the office for a brief time.

SPECIAL MEDICAL NEEDS

Please send updated information on any new or existing medical conditions (allergies, etc.) that your child may be experiencing. Health plans will be developed as necessary and a doctor’s note may be required. Information will be shared with appropriate personnel such as your child’s classroom teacher(s), physical education teacher, office and playground aides, or bus driver. This information will help them work with your child to minimize unnecessary restrictions and possible absenteeism.

EMERGENCY INFORMATION

Please keep the school posted of all current phone numbers (home and work). If you do not have a phone, it is very important that you give us the phone number of someone who could reach you in case of an accident or if your child becomes ill at school. Please provide more than one phone number. This is very important in case of an emergency. If a telephone number is changed or disconnected, please update your information at school.

ALLERGY/ASTHMA MEDICATION

If your child needs to carry an inhaler/Epi-pen at school, the policy must be followed as the law dictates. There will be no exceptions. Students with an inhaler/Epi-pen who have not met the criteria will have their inhaler/Epi-pen confiscated and parents will be notified. Parents are encouraged to keep an extra inhaler/Epi-pen at school in the office or health room in case of an emergency. If you have any
questions, please contact your building principal or the school nurse.

A student may possess and self-administer an inhaler/Epi-pen for the prevention and/or relief of asthma/allergy symptoms if the following conditions are met:
1. There is written approval from the student’s physician or other health care provider and the student’s parent/guardian to possess the inhaler/Epi-pen and
2. The building administration has received a copy of the written approvals from the physician and the guardian.

The school district or a school district employee is not liable for damages if an employee prohibits the use of an inhaler/Epi-pen by a student if it is the employee’s “reasonable belief” formed after a reasonable and ordinary inquiry that the above conditions have not been met.

**OTHER MEDICATIONS**

If possible, parents are advised to give medications at home and on a schedule rather than during school hours. If it is necessary that a medication be given during school hours, the following regulations must be followed. School policy states that any medication that needs to be taken at school must be brought to school by a parent/guardian, in its original container with the appropriate label intact and the parent’s signature on a medication consent form. The physician must also sign the medication consent form if the medication requires a prescription. The school will not have Tylenol or aspirin to dispense for any reason. Medication permission slips are available in the office.

**HEALTH SCREENINGS**

The Newaygo County Health Department assists Fremont students by conducting vision and hearing screenings at school. The purpose of the screening program is to aid in the early detection and resolution of any problems that could affect growth or the learning process. Screenings are not meant to diagnose. The health department will contact parents if there is a need for follow up at a free clinic or doctor’s office. Results of the screenings are
posted on the individual health cards at school. Referrals for
additional screenings at any grade level by parents, students, or staff
can be made to the school nurse.

**HEAD LICE**

Head lice infestation is a continuing problem among school age
children in Michigan. Head lice do not carry disease nor does their
presence mean your child is dirty. However, they are an annoyance
and are spread easily. Please periodically check your child’s head
carefully and, if any head lice are found, treat your child and any
other infested family members before your child returns to school.
Remember too, that anything near the child’s head (bedding,
clothes, hair items, stuffed animals, furniture, etc.) must also be
treated immediately. It is critical that you not only kill the lice with
a lice-killing shampoo but also remove all the eggs (nits). Although
treatment shampoos provide a nit comb, they are not always 100%
effective. Nits are literally glued to the hair and can be difficult to
remove.

If eggs remain in the hair, re-infestation may occur. Fremont Public
Schools has a “No Nit Policy” which means that children are not
allowed to return until their hair is nit free. Parents must
accompany their child back to school after treatment. Please
continue to check heads every day for 2-3 weeks to make sure the
lice is gone. Regular checking is the best prevention. If you
discover your child or a family member has head lice, please notify
us as soon as possible at 924-0230.

**IMMUNIZATIONS**

Any student new to the school system, or upon entering the 7th
grade, according to state law, must show proof of immunizations
and be current by today’s standards to remain in school. Records
are reviewed on admission and parents are notified of updates
needed. Any questions should be directed to the Newaygo County
Health Department.
WHEN TO KEEP CHILDREN HOME

State regulations indicate that superintendents, principals, the school nurse, and teachers shall exclude from school any child suspected of having a communicable disease.

Cooperate with your school and local health department. Prevent exposure that may occur in the school, on the bus, or on the school grounds by keeping your child at home if he/she shows signs of illness.

Headaches, runny nose, difficulty breathing, sore throat, coughing, a rise in body temperature, vomiting, a skin eruption, or an unusual flush or paleness should lead you to suspect illness in your child.

Check with your doctor for diagnosis, treatment, and the proper time for returning to school. Please send a note when your child returns explaining the reason for the absence.

Your child needs to be kept home when ill to avoid the spread of illness.

FINES AND FEES

Some classes at FMS may require a small fee for student participation. The fee should be paid prior to participation in the designated activity.

Students are required to maintain proper care of all materials issued by FMS. Fines for damage to materials will be imposed and payment will need to be paid at the end of the school year.

LOST AND FOUND

All found articles are to be turned into the main office. If you lose an article, be sure to check the lost and found department in the office and report the missing article to one of the office personnel so a search may be instituted.
ELECTRONIC DEVICES

Electronic Devices, Handheld Games, Laser Pointers, Rollerblades, Skateboards, Trading Cards and other items that may disrupt the educational environment may not be brought to school without permission of the building principal.

Electronic Devices brought to school are at the risk of the student. FMS is not responsible for loss or theft. These items are not to be used between 8:00-2:05 unless permission has been granted by an administrator or teacher.

1st Offense – Device confiscated, Student and Administrator conference with device returned
2nd Offense – Device confiscated, Parents notified to come pick up device
3rd Offense – Device confiscated, parents pick-up device and conference with administrator, After school detention assigned

OTHER TRANSPORTATION

Bicycles may be ridden to school and must be placed in the bicycle racks provided. No motor driven vehicles (automobiles, motorbikes, or scooters) are to be used for transportation to and from school.

GUEST TEACHERS

Guest teachers are hired to continue the education of students in the absence of the regular teacher. Fremont Middle School students are expected to extend the same respect and courtesy that other teachers receive. Failure to do so will result in disciplinary action.

LOANING MONEY

Students are advised not to loan money. If a student chooses to loan money, the collection of the repayment is solely the responsibility of the students involved. The school is not responsible for any money that is loaned and not paid back.
UNAUTHORIZED VIDEOTAPEING

Students are not to use any electronic devices to record the actions of any other student without permission of a classroom teacher or the building principal. Legal action can be taken against any student who uses electronic devices to record the actions of other students at Fremont Middle School.

OFF CAMPUS EVENTS

While traveling or attending school sponsored activities, FMS students are expected to represent their school well. Student behavior should always reflect positively on the school and the community. While attending high school activities, students are subject to the authority of school district officials. Failure to obey rules and regulations and/or failure to obey the instructions or directives of school officials subjects the student to the school disciplinary code and loss of eligibility to attend high school athletic functions.

ELIGIBILITY FOR OFF CAMPUS EVENTS

Eligibility for class trips/field trips/activities throughout the year are dependent on the student being a member “in good standing” of the class and the student body. “In good standing” will be determined by the Staff and Administration of FMS.

DRESS CODE

The style and manner in which a student dresses while he/she attends school and school-related functions is largely the responsibility of the student and his/her parent. The School District, however, maintains the right to impose reasonable restrictions on dress, where the style of dress or grooming is reasonably considered disruptive or the style of dress or grooming is reasonably considered detrimental to the School District’s mission and/or the health, safety, or welfare of the student or other students with whom he/she attends school.

The following policy governs student dress for school:
1. **New for the 2020-2021 schoolyear, all staff and students must wear a facial covering at all times, except when eating, drinking, or on an approved facial covering break. Facial coverings must be in good taste and comply with other aspects of this school dress code.**

2. School attire should be in good taste. Shorts need to have a minimum of a 4 inch inseam. Pants must not have holes above the 4 inch inseam mark.

3. No underwear or skin showing between shirt and pants (shorts, skirt, etc) when standing or sitting.

4. Hats or hoods of any kind cannot be worn in school.

5. Other examples of inappropriate clothing or how a student looks in school include:
   - No excessive cleavage showing
   - No clothing or hats which directly or indirectly promote or advertise tobacco, alcohol, or drugs
   - No attire that is suggestive or symbolizes subject matter that is inappropriate for an educational setting
   - No clothing that may directly or indirectly be interpreted as gang affiliation
   - Pajama pants or slippers are deemed inappropriate attire except during special school days
   - No using pens or markers inappropriately to mark the student’s body

Hats, coats, and jackets will be removed and placed in lockers upon entering the building. Students who violate the dress code will be given an opportunity to change/find other clothes to wear for the remainder of the day.
The following picture illustrates the expectations for school dress.

**LUNCHROOM POLICY**

It is expected that while in the cafeteria, students will conduct themselves in an appropriate manner. The following comprise the cafeteria policy:

1. Wait for the signal to indicate that lunches are ready to be served.
2. Do not “cut” into the lunch line.
3. Students are free to sit at any table in the cafeteria; however, it is not permissible to save seats for other students.
4. Be responsible for the area or table where you eat. Keep your table clean. After eating, take your tray to the designated area. Throwing of food is not acceptable.
5. Be respectful and courteous to cafeteria employees and the lunchroom supervisors.
6. No food or beverage is to be taken from the lunchroom unless special permission is granted.
7. Improper conduct in the cafeteria may result in an assigned seat, or other corrective measures.
LUNCH/REC TIME

The following governs lunch/rec time behavior:
1) If you need to be in a classroom or go to your locker, check with lunchroom supervisor.
2) Do not run, push or shove in the hallways.
3) Those students choosing to be in the gym during rec. time are under the authority of the gym supervisors. “Roughhousing” or running in the gym (except when participating in a game) are not permitted.
4) Depending on the weather, students will have the rec. time option of going outside, to the gym, or to the Media Center when available.
5) No open food or drinks are permitted in the hallways or lockers. Students violating any of the above rules will receive disciplinary consequences.

HALLWAY PROCEDURES

All students are to behave in an appropriate manner in the school hallways. Students will walk to the right side when using hallways. During the school day, students should have a planner when in the hallways. Before and after school, students should not be shoving, running, pushing, or being a general nuisance. Failure to follow appropriate hallway procedures can result in discipline up to and including suspension.

ATHLETICS

The total development of the student is the focus of a responsible athletic program. Successful programs provide for physical, mental, social, and emotional growth. Each student-athlete will receive a Fremont Middle School Athletic Code of Conduct and academic eligibility standards packet. This packet should be read by the student-athlete and the parent(s). The last page of the packet contains a contract that must be signed by the student-athlete and parent, and be on file in the office, in order for the prospective athlete to be eligible to participate on any FMS athletic team. All student-athletes must have a current athletic physical on file.
in the office prior to participating in athletics. The school-offered physicals are in May and will be valid for the following school year. For the 2020-2021 schoolyear, the MHSAA has waived the need for students to have an updated physical IF they had a completed physical form on file in the office during the 2019-2020 schoolyear. In that case, there is a 2-page sports health questionnaire that parents must complete instead.

TECHNOLOGY

Use of technology at Fremont Public Schools is a privilege extended to students and staff in order to enhance learning and exchange information. With access, however, comes responsibility. FMS students will be given a “Technology Code of Ethics” which outlines the privileges, responsibilities, printer usage, acceptable internet use, and disciplinary action statements. Each student will need to sign the user’s responsibility form prior to accessing and using technology. Parents/Guardians will also be asked to sign the form. All students will be disciplined for violating the privileges outlined in the Code of Ethics. Disciplinary action for computer offenses may include, but are not limited to, the following steps:

First Offense – Loss of all computer privileges for 2 weeks. Offense will be recorded in the student’s file. In addition, the student will review the Technology Code of Ethics with the appropriate staff member before computer privileges will be reinstated.

Second Offense – The student will lose all computer privileges for six weeks. The offense will be recorded in the student’s file. The student will be expected to write a technology behavior plan for himself/herself before computer privileges are restored. This plan will be signed by the student, his/her parents, the building technology person, and a building administrator.

Third Offense – The student will lose computer privileges for the remainder of the school year. When privileges are reinstated, they will be so on a limited basis.

Any violation, which affects the integrity of the network, will result in permanent removal from the network for the remainder of the school year.
CODE OF STUDENT CONDUCT

Students of FMS are expected to exhibit the best of student behavior at all times. FMS students are expected to be cooperative, considerate and respectful of staff and school property. District rules apply en route to and from school, during school, and at all school related functions. Any student whose behavior falls below these standards can expect to be disciplined in one, or a combination, of the following ways:

1. Student/teacher or student/teacher/principal conference
2. Parental contact with the probability of a parent conference with teacher and/or principal.
3. After School Detention
4. Assignment to Saturday School
5. Out of School Suspension

OUT-OF SCHOOL SUSPENSION

Student is excluded from school and must remain at home. During the time of the exclusion, student is not eligible to attend any after school or school affiliated activities, including high school athletic events. It should be remembered that the examples listed on the following pages do not include all misbehavior, which would be subject to disciplinary action. The school principal and/or assistant principal have the authority to question misbehavior of any form within the building, on school grounds, at school sponsored or related activities, or when directed toward any staff member employed by the Fremont Public Schools. Any behavior, which adversely affects the learning process or atmosphere of the school, as interpreted by the administration, will result in disciplinary action. Examples of unacceptable behavior and resulting consequences follow. The disciplinary actions taken vary depending on the circumstance. The administrative team will make the decision when the corrective discipline is not in direct correlation with the handbook’s suggested corrective discipline plan.
Facial Coverings
Failure coverings must meet current directives, be worn properly, and meet the expectations of the dress code. A student’s failure to do so will result in him/her being transferred to the Fremont Virtual Program.

1. Prior to a student receiving a long term suspension, the parents will receive notification of the stated offense and the student will be afforded procedural due process as follows:
   a) written notice of the rules violated, the intentions to expel, and the place, time and circumstances of the hearing with sufficient time provided to prepare a defense.
   b) full and fair hearing before an impartial adjudicator (not the person who collected the evidence).
   c) right to legal counsel or some other adult representation.
   d) opportunity to present witnesses or evidence on the accused pupil’s behalf, and to cross-examine opposing witnesses.
   e) some kind of written record (not necessarily verbatim) demonstrating that the decision was based on the evidence.
2. If, after the discussion described in #1, the recommendation is unchanged, the Superintendent or his designee will provide written notice of the charges against a student to the student and his/her parents or guardian. The charges will specify the particular rule, regulation, law, etc., that has been violated. Included with the notice shall be a) a statement of the date, time, and place for a hearing before the Board of Education and b) a copy of this regulation. The notice will also inform the student and his/her parents or guardian that the hearing may be public or
private at their option, but that by law, it will be open unless they request it to be closed.

3. The parents or guardian shall be requested to be present at the hearing.

4. The student and his/her parents or guardian may be represented by counsel, but they bear all costs of such representation.

5. The student shall be given the opportunity to contest the facts which may lead to the imposition of discipline or to contest the appropriateness of the sanction being recommended. The student shall be given an opportunity to testify himself/herself and allowed to offer the testimony of other witnesses and present other evidence. The student also has the right to refrain from testifying.

6. The student, his/her parents or guardian shall be allowed to hear and observe all evidence offered against him. In addition, the student, his parents or guardian shall be allowed to question any witness.

7. The hearing shall be conducted by the Board of Education which shall make its determination solely upon the evidence presented at the hearing. The hearing is not a court proceeding and court rules of evidence and procedure shall not be enforced at such hearing. The Board of Education may, in its discretion, employ counsel to assist the Board of Education in conducting the hearing. The Board of Education shall keep a summary record of the hearing, but it need not be a complete, stenographic transcript.

8. The Board of Education shall state within a reasonable time after the hearing its findings as to whether or not the student charged is guilty of the conduct charged and its decision as to expulsion or alternative discipline, if any.

9. The findings and decision of the Board of Education shall be reduced to writing and sent to the student and his/her parents or guardian. If applicable, the decision shall inform the student and his/her parents or guardian when the student will be eligible for re-admission. The decision shall also inform the student and his/her parents or guardian of the right to judicial review of the Board of Education’s decision.

10. A student and his/her parents or guardian may waive the right to a hearing. If it is waived, the Board of Education will, nevertheless, take formal action to accept or reject the
recommendation for expulsion, unless the student has voluntarily withdrawn from school by his/her parents or guardian. In that case, no action by the Board of Education shall be necessary.

11. School officials will undertake all reasonable efforts to arrange an alternative educational process for any suspension in excess of five (5) school days or for an expulsion.

Search and Seizure:
To maintain order and discipline in the schools, and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers, and desks, under the circumstances outlined below and may seize any illegal, unauthorized or contraband materials discovered in the search. Student lockers and desks are school property and remain at all times under the control of the school district; however, students are expected to assume full responsibility for the security of their lockers and desks. Students should not expect privacy regarding items placed in school property because school property is subject to search at any time by school officials. Periodic general inspections of lockers and desks may be conducted by school authorities for any reason, at any time, without notice, without student consent, and without a search warrant.

Interrogations and Searches:
The administration will make every reasonable attempt to notify the parents or legal guardian prior to permitting the interrogation or detention of a student by law enforcement authorities or other persons who are not the parents or legal guardian of the student. If the parents or legal guardian cannot be reached, the principal or his designee will be present during the interrogation.

No handbook can list every offense which may be detrimental to students or to the learning environment. Therefore, other offenses not listed but deemed inappropriate to the school environment are subject to discipline up to and including expulsion at the discretion of the Fremont Public Schools Administration and the approval of the Board of Education.
